HEADQUARTERS ARMY OF THE POTOMAC,

Yesterday afternoon, Col. Upton, who commanded the brigade which last Saturday so successfully charged and captured the enemy's works at Rappahannock Station, accompanied by deputations from each of the regiments participating in the assault, presented Gen. Meade with eight battle flags taken at that time. No previous notice had been given, and the affair was catirely unexpected and unprovided for.

Col. Upton presented the flags in the name of his command, naming the regiments, the 5th and 6th Maine, the 5th Wisconsin, and the 121st New-York (the latter Col. Upton's own regiment). Gen Meade replied as
